The Honorable Sinclair Weeks  
Secretary of Commerce  
Department of Commerce  
Washington 25, D. C.

Dear Mr. Weeks:

Pursuant to action of the United States Intelligence Board (USIB), we are forwarding the attached Special National Intelligence Estimate on "Implications of an Increase in US-Soviet Trade." The members of the USIB believed that you would find this estimate useful because of your interest in the present review of the US-Soviet trade question within the United States Government.

Because National Intelligence Estimates are generally treated as sensitive documents and given special security handling regardless of the classification of the particular estimate, we are forwarding this paper to you for your personal use.

Sincerely,

  
Executive Secretary  
United States Intelligence Board
